

E-books, audiobooks, streaming movies & more!

Have a smartphone or tablet? Great! We've got an app that will let you borrow digital e-books, audiobooks and movies, from your local library - and better yet it's *all free*.

GETTING STARTED WITH LIBBY

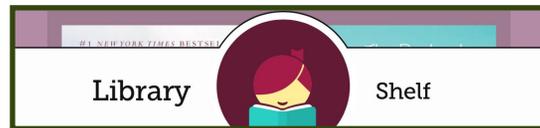

With the Libby app, you can borrow and enjoy free e-books, audiobooks and more from your library's digital OverDrive collection. All you need to get started is an internet connection, a valid Campbell County library card and a tablet or computer device.

Add

Go to your app store and download the free Libby app to your device. Click **Hi** and then **Find My Library**. Search for Campbell County Public Library or Wright Branch Library. Both libraries use the same digital collection.

Browse

Once you are in the app, you can search the catalog or browse by subject as long as you are on the **Library** toggle on the bottom left.

Borrow

When you find a title you want to read, click **Borrow** and enter your library card and pin. It will immediately check out to you.

Enjoy

The item will be available in the **Shelf** toggle on the bottom right. You can manage all of your item checkouts there.

CCPLS LENDING POLICIES

Borrowing

You can borrow up to 6 titles and 3 periodicals at a time. The lending period may vary from title to title. You will need an active Campbell County library card to borrow titles from this collection.

Returning & renewing

Titles can be returned before they expire. If you have not downloaded a title, you'll be able to return it from your account bookshelf. If you download a title, its **'Return Title'** button will disappear from your bookshelf. In the app, press and hold the book and the return button will appear. The option to renew a title will appear on your account bookshelf within 3 days of the title's expiration date.

Holds

You can place up to 5 titles on hold at a time. You'll receive an email notification when a title you placed on hold becomes available. Once the email is sent, you'll have 2 days (48 hours) to borrow the title before your hold is cancelled. Or, you can turn on **automatic borrowing** to make sure you never miss a hold. Automatic borrowing allows a title to check out to you immediately after being returned by the previous patron.
