## Have a smartphone or tablet? Great!

We have an app that will let you borrow digital e-books and audiobooks from the State of Wyoming digital collection - and better yet it's *all free*.

cloudLibrary is *not* compatible with standard Kindles or the Paperwhite; however, you may use it with a Kindle Fire.

The app is not available in the Kindle Fire store. Visit www.ccpls.org and go to the **Digital Library** page to find the software link to download the app on the Fire.

Select **United States**, **Wyoming**, and **Wyoming Libraries**. Accept the Terms and Conditions. Next enter your **library card number** and **PIN**. Login.

Tabs
On the bottom of the screen you have a **Browse** option that will give you access to the library catalog. From there you can search for titles you want to read.

CCPLS LENDING POLICIES

Borrowing
You can borrow up to 6 titles and 3 periodicals at a time. The lending period may vary from title to title. You will need an active library card to borrow titles from this library.

Returning & renewing
Titles can be returned before they expire. If you have not downloaded a title, you'll be able to return it from your account bookshelf. If you download a title, its **'Return Title'** button will disappear from your bookshelf. In the app, you press and hold the book and the return button will appear. The option to renew a title will appear on your account bookshelf within 3 days of the title's expiration date.

Holds
You can place up to 5 titles on hold at a time. You'll receive an email notification when a title you placed on hold becomes available. Once the email is sent, you'll have 5 days to borrow the title before your hold is cancelled. You can enter your email address to receive notifications when your hold is available to check out.
