

WYOMING 4-H STATE SHOOT HELPFUL INFORMATION

A full packet of information and rules is located online at <http://4-h.uwyo.edu/ShootingSports.asp>.

For this event, each county is responsible for the following items:

- Complete and return the county registration form.
 - The form will be emailed to the 4-H email list near the beginning of May.
 - It is due back to Lindsey Moniz via email no later than 5:00 p.m. on Monday, June 20th.
 - *Each late entry will be assessed a fee of \$25.* (i.e. \$25 per youth entry)
 - Please read the instructions that accompany the Excel file when it is emailed.
- *Sometime Wednesday, June 22nd*, PDF documents will be emailed to the County 4-H Educator. At this time:
 - Verify all of the youth have been entered in the correct discipline (mistakes happen!)
 - Find and communicate the shooter number to each of the youth contestants.
 - Each youth is responsible for displaying their shooter number when competing at the State Shoot. This can be something as simple as a sticky name badge with the number written on it so the range commander can see it.
- Schedules
 - Schedules will be sent via email and posted online as soon as it's feasible to do so.
 - Over 500 youth participate in State Shoot each year. Most participants travel to and from the event with parents or friends. A strong effort is made to create a schedule for each range that allows the most flexibility for each participant and county delegation.
 - When the schedules are sent, you will notice a few things:
 - Times listed for Shotgun squads cannot be changed and need to take priority over shooting at other ranges.
 - The Air Rifle range is open at all times. The lines will be filled on a first-come, first-served basis.
 - For the remaining ranges:
 - Large county delegations will be split and listed more than once. It is beneficial for the county to create a rough plan as to who will go at what time to ensure there is enough room on each line.
 - Counties listed will have priority on the line. Any open spaces will be filled with those who have checked-in and are waiting to shoot. These spots will be filled on a first-come, first-served basis.
 - *If a youth is shooting in several disciplines, it may not be possible for them to get everything done in one day.*
