

Campbell County Fair

Born & Raised Contests

Market Beef, Sheep, Goat, and Swine
THIS IS A COUNTY CONTEST ONLY.

These contests were created to recognize and highlight Campbell County livestock.

Eligibility and General Information:

- Open to bona fide 4-H or FFA members with a market animal in the respective species Beef, Sheep, Goat, and Swine, which is born and raised in Campbell County.
- Completion and submission of the Declaration Form to accompany tagging information by the species tagging deadline. Separate declaration forms must be used for each animal.
- Multiple Declaration Forms can be submitted, but **ONLY** one animal per species can be entered and shown per exhibitor.
- Entries must be completed for the Born and Raised Contest online by entry deadline of **JULY 19th by 5:00pm.**

MARKET BEEF

ULTRASOUND CONTEST

This contest was created to educate and recognize the exhibitor's quality of livestock, feeding program, and give an understanding of the current industry standards for carcass merit: characteristics of marbling, ribeye area, and back fat.

Eligibility and General Information:

- Open to bona fide 4-H or FFA members with a Market Beef in the CC Fair.
- Entries must be completed for the Ultrasound Contest on-line by entry deadline of **JULY 19th by 5:00pm.**
- This is a non-terminal contest.
- The Ultrasound Technician will use a washable oil base to complete the ultrasound and no shaving and/or clipping is needed.
