Hey 4-H Camp Counselor!

On the day of the Leadership Training you broke into groups and came up with a list of traits and skills that you would use at 4-H Camp. Your lists were not only useful for camp, but they are also great traits and skills that are important for employment! Some of you wanted a copy of your list, so I compiled them all for you and they are listed below. We will be updating our website, so I will also post it there. We would like to THANK YOU for another successful 4-H Camp! Mandy Reynolds

- ** Accountability
